

Christ Lutheran School

Photo & Film Consent Agreement

Please sign one Photo and Film Consent Agreement per FAMILY and list each child you are registering for the school year.

Christ Lutheran School produces brochures, newsletters, and other promotional materials in order to provide information about our school. We also use our website for the same purpose. On occasion we would like to use photographs or videos of students involved in various campus activities. These will help promote our school and illustrate the great ways Christ Lutheran School has positive influences on students' lives.

The school always places the safety of our students at the forefront of everything we do. In order to maintain anonymity and privacy, students will not be identified by name in published photographs; however, on rare occasions you may be asked to allow the school to print your child's name. In such case, you will be asked to specifically agree beforehand that a photograph may include his/her name.

Christ Lutheran School would like your consent to use your child's(ren's) photograph(s) or videos in publications, on the website, or in film productions. We are also planning on using film bits for the website as promotional video for prospective families. If you feel comfortable with this policy, please indicate your preference by placing an "X" in box A below and signing this form. If for any reason you are uncomfortable publishing your child's(ren's) photograph(s), please place an "X" in box B below. However, we believe these materials to be totally safe. It would be very helpful if you would grant your consent by signing this form.
